

# BIBLICAL HEALTH MANIFESTO

**We may not be what you're looking for,  
but we are exactly what you need.**

**We will not inject you with anything.**

**We will not renew your prescriptions.**

**We will not check your thyroid levels.**

**We will not sign your exemption letters.**

**We will not do any type of genetic testing.**

**We will not do anything harmful to your body.**

**We will not recommend yet another blood panel.**

**We will not communicate with your medical deities.**

**We will not review your previous incorrect diagnosis.**

**We will not recommend anything contrary to The Book.**

**We will not consult the internet for answers to your problems.**

**We will not ask permission from your insurance company or specialist.**

**We will not send you back to the same people who caused your problems.**

**We will not subject you to displays of ancient pagan idols as is  
common in many natural health practices.**

**We will not document your conditions with government  
or insurance entities.**

**We will not give you synthetic supplements to offset the effects of  
your synthetic drugs.**

**Why? Because we do not need to...**

**What if real natural healthcare didn't require any of the above?**

**What if everything you think you need is incorrect from the very beginning?**

**What if your doctor actually read The Manual on how the human body was  
created and then practiced accordingly?**

**90% of our patients get 50-90% improvement  
across all symptoms within 90 days.**

**We're saving lives ahead of time.**
